

Outrageous Fortune

The West Family Album

By Rachel Lang, James Griffin & Tim Balme

The Book

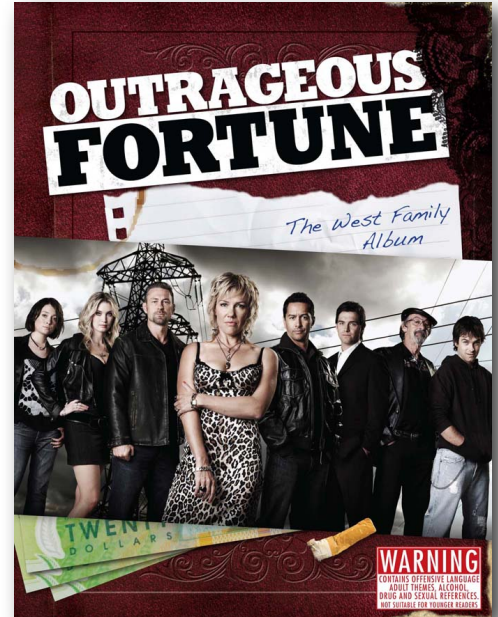

Outrageous Fortune: The West Family Album is the ultimate fan handbook to New Zealand's favorite family, the Wests, and their associates. In a lively four-color design featuring over 100 photos, the book goes behind the scenes to get the actors' and writers' take on the series – with script extracts, a trivia quiz and a drinking game. It also probes the depths (and shallows) of the characters to reveal everything from Cheryl's recipes to Pascalle's philosophy for beautiful living, Ted's racing tips to the Tool Guy code.

The Author

James Griffin and Rachel Lang are the multiple award-winning creators and executive producers of *Outrageous Fortune*. Tim Balme has worked with James and Rachel on *Outrageous Fortune* as a storyliner and scriptwriter since the show's second season. James is also a weekly newspaper columnist for the *New Zealand Herald*.
